Dear Shareholder

The Directors are pleased to report the successful trading result of the group for the year ended 30 June 2000.

The operating profit after tax is \$106,000 after charging \$347,000 in abnormal costs. The comparable figures for last year were an operating loss of \$585,000 after charging abnormal costs of \$165,000.

The abnormal costs charged this year comprised of a write off of all the remaining goodwill (\$287,000) relating to the acquisition in West Australia in 1997 (as disclosed in the half year results) and a \$60,000 loss on revaluation of land and buildings.

The improved result was achieved on a revenue growth of 4%.

In view of the substantial turnaround in performance, your Directors have declared a fully franked dividend of a half (0.5) cent per share payable on 27 October 2000.

Your Directors note that budgets for the year ended June 2001 indicate further improvements in operating profit and for the first two months this year results are in line with budget expectations.
