Dear Sir

RE: Half Yearly Report

The Directors are pleased to announce the results for the six months ended 31 December 2003, which have been subject to an Independent review, and full details are contained in the Appendix 4D attached. These results are as disclosed in our announcement dated 9 February 2004.

In comparison with the corresponding period last year, total revenues increased 6.3% to \$16.1m and net profit after tax increased 9.4% to \$477,000. This equates to 2.2 cents per share, which was slightly ahead of expectations.

During the period we refurbished our offices at Guildford in Sydney, relocated the Multispares outlet in Perth to the suburb of Kewdale and established Globac Limited in new premises. Both Australia and New Zealand produced results in line with expectations

Trading conditions remain generally unchanged since our market update at the November AGM. We continue to expect an 11% growth in after tax earnings over the full-year.

Directors have declared a fully franked interim dividend of 1(one) cent per share, payable on 16 March 2004 to shareholders registered on 01 March 2004.

Yours faithfully

Notes to the Half-year Financial Statements

31 December 2003

1. Basis of preparation of the half-year financial report

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the full financial report.

The half-year report should be read in conjunction with the Annual Financial Report of Supply Network Limited as at 30 June 2003. It is also recommended that the half-year financial report be considered together with any public announcements made by Supply Network Limited and its controlled entities during the half-year ended 31 December 2003 in accordance with the continuous disclosure obligations arising under the Corporations Act 2001.

(a) Basis of accounting

The half-year financial report is a general-purpose financial report, which has been prepared in accordance with the requirements of the Corporations Act 2001, applicable Accounting Standards including AASB 1029 "Interim Financial Reporting" and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views).

The half-year financial report has been prepared in accordance with historical cost convention, and does not take into account changes in the general purchasing power of the dollar or, except where stated, the price of specific assets.

The accounting policies have been consistently applied by the consolidated entity and are consistent with those applied in the 30 June 2003 annual report.

For the purpose of preparing the half-year financial report, the half-year has been treated as a discrete reporting period.

Note 2. Profit from Ordinary Activities

Profit from ordinary activities before income tax expense includes the following revenues and expenses whose disclosure is relevant in explaining the financial performance of the entity:

The company has yet to decide whether or not to elect under the consolidations regime, so any impact on the financial statements has not yet been determined. In the event that the company elects to form a tax consolidation group, there is not expected to be any adverse effect on recorded tax assets.

Independent review report to members of Supply Network Limited

Scope

The financial report and directors' responsibility

The financial report comprises the statement of financial position, statement of financial performance, statement of cash flows and accompanying notes to the financial statements and the other information set out in Appendix 4D to the Australian Stock Exchange (ASX) Listing Rules for the consolidated entity comprising both Supply Network Limited (the company) and the entities it controlled during the half-year, and the directors' declaration for the company, for the half-year ended 31 December 2003, but excludes the Results for Announcement to the Market section.

The directors of the company are responsible for preparing a financial report that gives a true and fair view of the financial position and performance of the consolidated entity, and that complies with Accounting Standard AASB 1029 "Interim Financial Reporting", in accordance with the *Corporations Act 2001*, and the ASX Listing Rules as they relate to Appendix 4D. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Review approach

We conducted an independent review of the financial report in order to make a statement about it to the members of the company, and in order for the company to lodge the financial report with the ASX and the Australian Securities and Investments Commission.

Our review was conducted in accordance with Australian Auditing Standards applicable to review engagements, in order to state whether, on the basis of the procedures described, anything has come to our attention that would indicate that the financial report is not presented fairly in accordance with the *Corporations Act 2001*, Accounting Standard AASB 1029 "Interim Financial Reporting" and other mandatory professional reporting requirements in Australia, and the ASX Listing Rules as they relate to Appendix 4D, so as to present a view which is consistent with our understanding of the consolidated entity's financial position, and of its performance as represented by the results of its operations and cash flows.

A review is limited primarily to inquiries of company personnel and analytical procedures applied to the financial data. These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance is less than given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Independence

We are independent of the company, and have met the independence requirements of Australian professional ethical pronouncements and the *Corporations Act 2001*.

Statement

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the financial report, as defined in the scope section, of the consolidated entity Supply Network Limited and the entities it controlled during the half-year is not in accordance with:

- (a) the *Corporations Act 2001*, including:
 - (i) giving a true and fair view of the financial position of the consolidated entity at 31 December 2003 and of its performance for the half-year ended on that date; and
 - (ii) complying with Accounting Standard AASB 1029 "Interim Financial Reporting" and the *Corporations Regulations 2001*; and
- (b) other mandatory financial reporting requirements in Australia and the ASX Listing Rules as they relate to Appendix 4D.
