## Directors' Report

Your directors submit their report for the half-year ended 31 December 2007.

### Directors

The names of the company's directors in office during the half-year and until the date of this report are set out below. Directors were in office for this entire period unless otherwise stated.

G T Lingard (Chairman)  
G D H Stewart (Managing Director)  
G J Forsyth  
P W McKenzie

### Review and Results of Operations

Profit for the period is \$665,000, which is a significant increase (\$552,000) when compared with the same period last year.

Consolidated sales revenue for the first half was \$19.2m, which is an increase of 11.1% when compared to the same period last year.

Sales revenue in the Australian operation increased by 11.0%, which included 9.3% growth in the Multispares division and 47.3% growth in the Globac division. This continues Globac's strong growth over the 2007 financial year.

Sales revenue in the Multispares New Zealand operation increased by 6.9% measured in NZ\$ terms, which excludes the impact of exchange rate fluctuations. When measured in Australian dollar terms New Zealand sales revenue increased by 8.0%.

The group has continued to develop and expand its full supply concept to major fleets with a number of new implementations commenced or planned during this financial year.

Product and market strategies continue to deliver solid growth in key market segments. Ongoing cost controls have kept overheads within expected levels.

Inventory management strategies have held stock levels at similar levels to June 2007 resulting in positive cash flows from operating activities over the first half of the financial year. There were no additional long term borrowings or facilities during the period and gearing remains at similar levels to the financial year ended June 2007.

During the period a Dividend Reinvestment Plan (DRP) was established and the Directors declared a fully franked special dividend of 4 cents per share payable in February 2008. The DRP will operate in respect of the special dividend and any shortfall will be partially underwritten. This will minimise the impact of the special dividend on cash flows in the second half of the financial year.

The directors have declared a fully franked interim dividend of 1.0 cent per share payable on 4 April 2008.

### Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under the Section 307C of the Corporations Act 2001 is set out on page 4.

### Rounding

The amounts contained in this report and in the half-year financial report have been rounded to the nearest \$1,000 (unless otherwise stated) under the option available to the Company under ASIC Class Order 98/0100. The Company is an entity to which the Class Order applies.

Signed in accordance with a resolution of directors.

We confirm that the independence declaration required by the *Corporations Act 2001*, provided to the directors of Supply Network Limited on 29 February 2008, would be in the same terms if provided to the directors as at the time of this auditor's review report.

*Conclusion*

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Supply Network Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2007 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim financial Reporting* and the *Corporations Regulations 2001*.
